PRODUCT INFORMATION

EUROLUB BREMSENREINIGER

Category:	Technical cleaner		
Product Features:	Due to its balanced combination of special solvents, the product has excellent cleaning and degreasing properties and is suitable due to its high rate of evaporation for timesaving cleaning and degreasing of all brake and clutch parts. Also developed engine parts such as carburetor, fuel injection pump, distributor, etc. can be cleaned quickly and thoroughly. Removes oil and brake fluid, grease and dirt. Dissolves resin residues and displaces water. Moreover, it is easily applicable and leaves no residues.		

Application:	Spray on Brake Cleaner and allow to drain off. Allow parts to dry
	naturally or clean with a cloth. With particulary stubborn dirt apply several times.
	Content according to Regulation (EC) Nr. 648/2004 on detergents:
	≥ 30 % aliphatic hydrocarbons.
	<u>Brakes:</u> drum and disc brakes, pads, calipers, brake blocks, cylinders, springs, brake shoes.
	<u>Clutch:</u> clutch facing, clutch pressure plate, flywheel and clutch housing.
	Notes: Sealed bearing not spray, but only with clean cloth. Pilot bearing
	in the flywheel after cleaning, re-grease.
	Transmission: automatic gearshift, planet carrier, oil pump, brake bands,
	clutches.
	areas of glass: cleaning and degreasing of windscreens before bonding.

Delivery:	Art.Nr. 003799	600 ml	spray	
	Art.Nr. 10012672	5 Liter	tin can	
	Art.Nr. 10012673	30 Liter	tin canister	
	Art.Nr. 10012674	60 Liter	hobbock	

PRODUCT INFORMATION

Technical Data:		
Chemical basis:	Mixture of intense degreasing and cleaning solvents with a high evaporation rate. Free of halogenated hydrocarbons.	
Density:	0,719 <u>+</u> 0,005 g/ cm ³	
marking:	See section 15 of the current EC safety data sheet.	
General information:	Accesses when used properly not to all materials commonly use in the previously mentioned areas. Shelf life: 30 months who stored up to max. 40 ° C.	
Chemical basis:	Do not smoke during application. Do not use near open sources of ignition or running motors.	
	Mixture of intense degreasing and cleaning solvents with a high evaporation rate. Free of halogenated hydrocarbons.
